A PARTNER OF

UNITED IN OUR VISION

TruVista Surgery Center's state-of-the-art facility combines ophthalmic expertise with advanced technology and personalized care that focuses solely on eye surgery. It is designed to provide you, our patients, the highest quality care in a comfortable and convenient environment.

General Information

Before you come:

A nurse will contact you 2-3 days prior to your procedure to complete a pre-surgical health assessment, give your arrival time and answer any questions you have.

If you are on blood thinners, discuss this with your surgeon and the nurse.

Our staff will call you to obtain your insurance information and discuss your payment.

Please be sure to review our Advanced Notification Document stating your patient rights, responsibilities, notice of ownership, advanced directives, billing standards and privacy practices.

After Your Surgery

Your discharge:

Your anesthesiologist will review your health and allow for your discharge from the center.

You will need to see your doctor for a post operative appointment.

A nurse from TruVista will contact you after your surgery to address any questions or concerns.

Patient Satisfaction is very important to us. Please complete your Patient Survey at your earliest convenience.

Preparation for Surgery

The night before surgery:

Follow your instructions regarding your limitations for eating, drinking and taking medications after midnight.

Bathe or shower the night before or the day of surgery ensuring removal of all facial products to minimize the risk of infection.

If you are a smoker, refrain from smoking after midnight.

The day of surgery:

Arrive at the scheduled time specified by your nurse.

Bring all insurance cards, a photo ID, your glasses and chosen method of payment. Failure to bring these items can result in cancellation of your procedure.

A responsible adult must accompany you, be available during your surgery, receive discharge instructions and be able to drive you home. For safety reasons, if you arrive alone this could result in cancelling your procedure.

Some of the medications may impair your ability to drive safely.

Wear comfortable clothes that button or zip open in the front. Leave jewelry at home.

Remove all makeup, lipstick, mascara and fragrance.

If you are or could be pregnant, notify us upon arrival.

Take only medications that your doctor and nurse have approved.

Before your surgery you will be asked to sign a consent form.

Financial Arrangements

Surgery Center fees:

We will verify your insurance and determine your out of pocket expenses (if any) such as deductibles and co-payments.

We are required by contract to collect all co-pays and deductibles. Please be prepared to pay for these expenses as well as non-insurance covered expenses on the day of your visit.

You will receive up to 4 separate bills after your surgery. This includes one each from:

- anesthesia • pathology • the surgeon
- other services related to your surgery

For cosmetic and non-insured procedures, please consult with your surgeon regarding payment arrangements.

If at anytime during your stay with us, you are not 100% satisfied with the service provided, please contact our administrator at 248-244-1500.
